### Características ampliadas

Tipper hopper for 670 liters capacity forklift  
Tilting container with a capacity of 670L and its maximum load is 2000kg. Thanks to this and its design, it allows you to collect and transport all kinds of materials. The hopper is very resistant, 3mm thick.

The turning is done by lever from the forklift, emptying the load easily. In addition, a tool is required for its operation (not included).

Caps can be purchased to protect the interior of the hopper.

CE marked.

USEFUL NOT INCLUDED. If you do not have and need one, click on the following link:
