OPERATION OF THE HOPPER + USEFUL Tilting container for 840 liter capacity forklift

This tilting hopper has a capacity of 840L and its maximum load is 2000kg.

Thanks to this and its design, it allows to collect and transport all kinds of materials.

The hopper is very resistant.

Lids can be purchased to protect the inside of the hopper.

The turning is carried out by means of a lever from inside the

cabin of the forklift.

In addition, a tool is needed for its operation (not included).

CE Marking

USEFUL NOT INCLUDED.
