

Car type floor scrubber

R90 Car type floor scrubber provides users with professional floor cleaning solutions

PRODUCT FEATURES

New energy lithium battery

Equipped with a standard new energy lithium battery – green, eco-friendly, stable performance, and extended runtime.

Less noise

When using the machine, the noise is not loud.

Easy Operation

Simplified mechanical control panel: intuitive, straightforward, and user-friendly.

Effortless Functionality

Electric water flow switch for seamless, effortless operation.

PRODUCT DETAILS

Low-Speed Scrubbing Function

Travels at low speed to ensure operational safety.

Aircraft-Grade Aluminum Castings

Heavy-duty die-cast aluminum alloy components for extended durability.

Extra-Wide Curved Squeegee

Die-cast aluminum alloy curved squeegee. Ready to use out of the box—no adjustments needed.

Oversized Foot Pedal

Upgraded large foot pedal design for enhanced reliability.

TECHNICAL PARAMETER

JSXD90-RC9-I				JSXD90-RC9-I			
Clean Water Tank Capacity (L)	90	Dirty Water Tank Capacity (L)	104	Drive Motor Power (W)	800	Max. Travel Speed (km/h)	6
Squeegee Width (mm)	960	Cleaning Efficiency (m ² /h)	4200	Operating Time (h)	2.5	Charging Time (h)	3-4
Cleaning Path Width (mm)	560	Total Power (W)	2050	Noise Level (dB(A))	≤68	Machine Weight (kg)	270
Std. Battery (V/Ah)	24/105	Opt. Lead-Acid Battery (V/Ah)	2×12/103	Machine Dimensions (L×W×H mm)	1500×680×1200	Packaging Dimensions (L×W×H mm)	1600×1050×1400
Vacuum Motor Power (W)	600	Brush Motor Power (W)	650
